

# Celebration of Light

## *Memorial Service*

Please Join Pathways and Skylawn for this Time of Remembrance

In the darkness of winter, and through the darkness of grief, we offer an opportunity to look for an experience of light.

Pathways and Skylawn invites you to come and remember your loved one in the company of others, as we honor those who have died this year.

This candle-lit afternoon will include the use of light, both literally and metaphorically, from various faith traditions to assist us in upholding the memories of your loved ones. A memory table will provide the opportunity for you to temporarily place a favorite picture or memory object to further honor their place in your life.

**Sunday, December 11, 2016**  
**2:00 pm to 3:30 pm**
