Afternoon of Remembrance

Memorial Services 2019

PLEASE JOIN US FOR A TIME OF REMEMBRANCE

Pathways Home Health and Hospice, Chapel of the Chimes and Skylawn invite their clients and all community members to remember your loved one, in the company of others, and honor those who have died this past year or two.

The afternoon will include a program with music, readings and emotional support. It will also feature the creation of a magnificent collective bouquet.

We will have flowers available, but please feel free to bring a special or significant flower in honor of your loved one to place in the bouquet.

Please consider bringing a picture or memory object of the person you are remembering, to share at the display table you can collect these mementos, following the program.
